TD Bank Group Sponsors Lambton Young Theatre Players

The Lambton Young Theatre Players are delighted to announce an exciting new partnership with the TD Bank Group.

Still celebrating the success of their first main stage performance with *THE LION, THE WITCH, AND THE WARDROBE*, the Young Theatre Players had more good news this week with the announcement that the TD Bank Group was supporting the organization as a major corporate sponsor.

“We are thrilled with the news that the TD Bank Group is sponsoring the Lambton Young Theatre Players,” says LYTP Managing & Artistic Director, Nancy Keys. “Their investment in the group means that we can provide even more educational and creative opportunities for the young people of Lambton County. We strive to present our kids, both on-stage and off, with a theatre experience guided and created by theatre professionals. Thanks to the TD Bank Group, we can expand on this, and offer the kids a greater variety of professional training in all aspects of theatre, and create even more spectacular shows.”

The TD Bank Group has always been a champion of young people, and the partnership with LYTP was a natural fit.

“At TD Bank Group, we’re proud of the work of Lambton Young Theatre Players. Our donation helps to create opportunities for young people to access and contribute to arts and culture”, said Lisa Galizia TD Canada Trust Branch Manager Petrolia.

Future events for the Lambton Young Theatre Players include: [Junior Players Theatre Camp](#) (8 to 11 years) throughout the month of July, a summer touring production, Drama Classes in August (12 to 18 years), Auditions for THE CRHISTMAS LETTER in August, QUEEN VICTORIA VISITS BOOM TOWN at Petrolia Discovery in September.
